Letter of Appeal

FCC, Office of the Secretary
445 12th Street SW
Washington, DC 20554

**Re: Ben: #195514 – CC Docket No. 02-6
Form 471#483332-483357-483288-475825**

Gentlemen;

We are about to appeal the "decision on appeal" of the SLD, in re: to the above mentioned 471 forms.

On the appeal to the SLD we wrote as follows:

We herewith want to appeal your decision "denied" funds. We do apologize it was an error on our part, when answering the questions we mistakenly answered "no RFP" when indeed we did have an RFP. The error happened, because the first 2 questions the answer was no, therefore I made a mistake on question #3.

We now want to give it a little bit more explanation, and we are requesting the FCC should then review this matter once again.

Attach you will find a copy of our form 470, you'll see that on page 2 of the 'Form 470 Review' there is question #1 and question #2 about telecommunications and internet, for both we checked "no RFP", and we listed there all of the items we're seeking services for, on the next page question #3 on internal connections we did not list the items that we're seeking service and we answered that we have an RFP, and we actually have an RFP for these items.

What happened was; that by the selective review when it came to the question about the RFP, I just pulled out our records, and I looked up how I had filed the 470 on the requested year, and since I see on the first 2 services that I checked "NO RFP", I erred and answered "NO RFP" at all.

We hope this matter will be resolved as soon as possible, if you need any further information feel free to contact me at 718-388-6201 ext.111.

Thank you, I remain,

Sincerely,

Mr. M. Markowitz
Administrator
